Hannover Milano Fairs has organized Mega Industrial Trade Fair' in Mumbai

Hannover Milano Fairs India Pvt Ltd, a wholly owned subsidiary of HM Global GmbH, the Joint Venture Company between Deutsche Messe AG, Germany and Fiera Milano S.p.A., Italy, is organizing a 'Mega Industrial Trade Fair' featuring four independent vertical shows in Mumbai between December 10 and 13. The four concurrent fairs include CeMAT INDIA (Materials Handling and Logistics), MDA INDIA (Motion, Drive & Automation), Industrial Automation INDIA (Process & Production Automation & Industrial Building Automation), Energy INDIA (Solutions for Energy Efficiency, Renewable Energy and Captive Power Plants). Sudhir Patil, managing director (MD), HMF, said, "The fairs are being held at the most opportune time as the industry is bouncing back to normalcy, new investments are being pumped into the economy with manufacturers investing in new plants, new machinery, advanced technology and support equipments. "Hannover fair is an ideal platform for manufacturers to showcase their technology and services and also establish direct contact with diverse users. Professionals and experts from across the globe would come together to exchange views and also update themselves about the latest technological trends and product developments," said Patil.

The event is likely to draw visitors from Automotive industry and components suppliers, Construction Machinery, Printing Machinery, Chemical Industry, Materials Handling Industry, Plastic and rubber machinery, Wind Power Industry, Food Processing and packaging Industry, Electrical & Electronics industry, Food and beverage industry and Woodworking Machinery Printing Machinery.
